Every year, Zoo New England participates in a reciprocal admission program, which allows ZNE members free or discounted admission to other zoos and aquariums with a valid membership card.

This list is amended specifically for ZNE members. If you are a member of another institution and you wish to visit Franklin Park Zoo or Stone Zoo, please refer to your institution's reciprocal list.

The reciprocal program is a voluntary agreement among zoos and aquariums: as such, terms may change throughout the year. **It is best to contact the institution of interest before you visit to confirm applicable discounts and admission rates with your ZNE membership.**

Please note that these discounts are valid for Family-level memberships, and the number of visitors admitted may vary. Parking may not be included. In addition, participating institutions in close geographic proximity to each other are not required to offer free or discounted admission to each other's members in order to participate. For instance, the Museum of Science does not reciprocate.
