

Franklin Park Zoo ZooCamp's Required Health Forms

In order to complete your child's registration, you MUST send us a certification of immunization and a physical report from the last 18 months provided and signed by a licensed healthcare provider. Forms must be received by **May 15th, 2019**. Forms can be uploaded to your online registration account or sent:

• **By mail to:** Franklin Park Zoo
Attn: Education Department
1 Franklin Park Road
Boston, MA 02121

• **By fax to:** : 1-617-989-2025, Attn:
Education Department
• **By email (a scanned copy) to:**
FPZcamp@zoonewengland.org

Required Immunizations, provided by the Massachusetts Department of Public Health, for all campers at Franklin Park Zoo ZooCamp:

(1) **Measles, Mumps and Rubella (MMR) Vaccine:** for ages 6-13 years old, 2 doses; first dose must be given on or after the 1st birthday and the 2nd dose must be given ≥ 28 days after dose 1; laboratory evidence of immunity acceptable.

(2) **Polio Vaccine:** for ages 6-13 years old, 4 doses; 4th dose must be given on or after the 4th birthday and ≥ 6 months after the previous dose, or a 5th dose is required. 3 doses are acceptable if the 3rd dose is given on or after the 4th birthday and ≥ 6 months after the previous dose.

(3) **Diphtheria and Tetanus Toxoids and Pertussis Vaccine (DTaP):** for ages 6-11 years old, 5 doses; 4 doses are acceptable if the 4th dose is given on or after the 4th birthday. DT is only acceptable with a letter stating a medical contraindication to DTaP. For ages 12-13 years old, 1 dose of Tdap; and history of DTaP primary series or age appropriate catch-up vaccination. Tdap given at ≥ 7 years may be counted, but a dose at age 11-12 is recommended if Tdap was given earlier as part of a catch-up schedule. Td should be given if it has been ≥ 10 years since Tdap.

(4) **Hepatitis B Vaccine:** for ages 6-13 years old, 3 doses. Laboratory evidence of immunity is acceptable.

(5) **Varicella Vaccine:** for ages 6-13 years old, 2 doses; first dose must be given on or after the 1st birthday and 2nd dose must be given ≥ 28 days after dose 1; a reliable history of chickenpox or laboratory evidence of immunity acceptable.

(6) **Meningococcal:** 1 dose of MenACWY (formerly known as MPSV4) for students ages 12-13 years old (grade 7 & 8) is recommended but is not required.

Please contact the Franklin Park Zoo Camp Director at FPZcamp@zoonewengland.org or 617-989-2006 for information and questions or concerns about certificates of immunization.
