

Dr. Eric Baitchman DVM, DACZM

Vice President of Animal Health and Conservation
Lecturer on Pathology, Harvard Medical School

Eric oversees the Animal Health Department, the Conservation Department, the Conservation Committee, the Research Review Committee, and has been with ZNE since 2004. Prior to joining the executive staff in August 2017, Eric served as the Director of Veterinary Services from 2009–2017, and as associate veterinarian from 2004–2009.

He is boarded certified by the American College of Zoological Medicine, serves as an associate editor for the Journal of Zoo and Wildlife Medicine, completed a zoological medicine residency with the Wildlife Conservation Society/Bronx Zoo, and received his doctorate in veterinary medicine from Cornell University.
