

Robert Chabot, Chief Operating Officer.

In June of 2017, Bob Chabot was named Chief Operating Officer for Zoo New England which oversees the operations of Franklin Park Zoo and Stone Zoo. Bob oversees the day-to-day operation of both facilities. Prior to coming to Zoo New England Bob was Director of Horticulture, Facilities, and Exhibits at the Jacksonville Zoo and Gardens from 2005-2017.

In Jacksonville Bob oversaw the development and implementation of the botanical garden master plan, facilities planning, maintenance and development, and exhibit design and construction. Bob served as Curator of Horticulture for Zoo New England from 1991-2001.
