FRANKLIN PARK ZOO SCAVENGER HUNT

THE WINTER EDITION: FULL ZOO

1. CLUE: At the Zoo, one of us has orange fur and the other has white. But we both have stripes.

ANSWER: _ _ _ _ _

2. CLUE: I'm a top predator from Africa and I usually travel in a pride.

ANSWER: _ _ _ _ _ _ _ _ _ _ _ _ _

3. CLUE: I'm a very long reptile that's dark green in color with black spots. In the rainforest, this would help me blend into the water where I like to spend a lot of my time.

ANSWER: _ _ _ _ _ _ _ _ _ _ _ _ _ _ _ _ _ _ _

4. CLUE: We have a long snout that we use as a snorkel when submerged underwater. Babies have white stripes to help camouflage.

ANSWER: _ _ _ _ _ _ _ _ _ _ _ _ _

5. CLUE: We're known for our 'laugh' and stealing prey from other predators in Africa. We can steal from others because we live in large groups and can usually outnumber another predator.

ANSWER: _ _ _ _ _ _ _ _ _ _ _ _ _

6. CLUE: I'm a bird with a funny shaped bill that likes to hunt at night in Central and South America. I live with my friends, the barbets.

ANSWER: _ _ _ _ -- _ _ _ _ _ _ _ _ _ _ _ _

7. CLUE: I'm a reptile from Australia with a powerful bite and a cool-colored tongue.

ANSWER: _ _ _ _ -- _ _ _ _ _ _ _ _ _ _ _ _

8. CLUE: I'm known as a very intelligent parrot from New Zealand. I'm also very curious and will even investigate hikers' gear!

Answer: _ _ _

9. Clue: We're the largest bird native to Australia. We can run up to 30 miles per hour and our calls are very deep grunts, drumming and booming.

Answer: _ _ _

10. Clue: I'm a nocturnal bird from New Zealand, and because I don't fly, I'm prey for many different species.

Answer: _
