Franklin Park Zoo's ZooCamp

Cost & Sliding Scale Information

Step 1: Scroll down and locate your camper's session of ZooCamp

Based on your household's gross income for the most complete calendar year and your membership status with Zoo New England, calculate your pricing for ZooCamp. During the online registration, you will be asked to select your member status/income as you add camp sessions to your cart for check-out.

Step 2: Income Verification Required for household income of $149,999 or below

If your gross household income is $149,999 or below, we require a copy of the first page of your most recent federal income tax return to complete your registration. **Please send the information to Stone Zoo by May 8th, 2027**:

- **By Mail**:
  Franklin Park Zoo
  Attn: Education Department
  1 Franklin Park Road
  Boston, MA 02121
- **By Email:** FPZCamp@zoonewengland.org

Do not include schedules, worksheets, or state returns. If a tax return is not available, you may send copies of W-2 forms, end of year pay stubs, or letters detailing Social Security benefits, unemployment compensation, child support, or other income.

The deadline for the Zoo receiving your income verification is May 8th, 2027. If we do not receive your information by that date, your registration will be cancelled, and any payments will be refunded.
